

# Massachusetts Family Planning Programs Provide These Services:

- Birth control information and supplies
- Breast exams, Pap smears and other medical exams
- Pregnancy testing and counseling
- Testing and treatment for STDs
- Information, counseling and testing for HIV
- Emergency contraception

Massachusetts family planning services are **confidential** and **private** for all clients, including teens. You may be able to get services at low cost or no cost to you.

If you do not speak English and need to talk with someone in Chinese, you can say, *"I need to speak to someone in Chinese"* (or any other language). We can help you find someone who can speak to you in your language.

If you are being forced to have sex, or are afraid that someone may harm you for using birth control, you can tell your provider or call the numbers below.
