

Do you care about someone
who tested HIV Positive ?
The HDAP program can help.

(HDAP)

HIV Drug Assistance Program

The HDAP Program can help to pay for:

- Prescription medications and / or
- Health insurance plans and
- Health insurance co-payments

Anyone can apply, even if they are
not citizens of this country.

Get Support

A counselor will help you with the
application. All information is confidential.
Call **1-800-228-2714** for help paying
for medicine & insurance.

This program is funded by the Massachusetts Department of Public Health
